

The ACTS HIV Ministry was founded in the year 2000 to spread the Gospel of Jesus through ACTS retreats to men and women affected or infected by HIV/AIDS.

ACTS retreats are three-day spiritual retreats, led by compassionate Catholic laymen and laywomen. Talks and activities during the retreat focus on Adoration, Community, Theology, and Service, from which the ACTS acronym is derived.

The weekend is designed to help the retreatants enter into a new and deeper relationship with our Lord and fellow members from the community.

This retreat is a powerful and enduring personal conversion experience that allows retreatants to feel God's love and joy.

The ACTS HIV Ministry also provides Mass every third Sunday of the month, special liturgies, and social activities to continue to provide friendship and fellowship to those affected or infected with HIV.
